## PRESS RELEASE

**FOR IMMEDIATE RELEASE**  
**June 6, 2018**

**Subject: Vacant House Training**

**Contact: John A. Sahatjian Fire Chief**

### “Donated House”

On May 30, 2018 members from South Wall Special Ops Team honed their skills on shoring on a vacant house. The House was located at 1204 Manito Rd and was donated by the homeowners prior to demolition.

June 4, 2018 the dedicated volunteers were able to utilize the house again for training on roof operations and Rapid Intervention Team (RIT) skills.

South Wall Fire Rescue is very appreciative to the homeowners for the generous donation of the home prior to demo.

These opportunities are invaluable to firefighting training.

Once again, the members of the South Wall Fire Department took time away from their families to attend this vitally important training. This will no doubt contribute to enhancing the safety of the Township of Wall Township community.

If you are interested in allowing the Fire Department to train on your house or commercial business prior to demolition please contact the Fire Chief.
